

Industry Profile

55 Management of Companies and Enterprises

The Management of Companies and Enterprises sector comprises (1) establishments that hold the securities of (or other equity interests in) companies and enterprises for the purpose of owning a controlling interest or influencing management decisions or (2) establishments (except government establishments) that administer, oversee, and manage establishments of the company or enterprise and that normally undertake the strategic or organizational planning and decisionmaking role of the company or enterprise. Establishments that administer, oversee, and manage may hold the securities of the company or enterprise.

Businesses classified as the Management of Companies and Enterprises sector comprise only 2.0 percent of the Utah economy. These businesses pay an average monthly wage of \$3,905, 58 percent higher than the statewide average for all industries.
